Alan,

I'm in Chicago, as Jeremy will be tomorrow. However, I should be able to make a call tomorrow in the 11-1 window, mountain time.

Hi Alan,

We have a staff retreat Wed-Friday. Are there dates/time next week that work for you all? Or we might be able to do a call tomorrow around 3 pm, but I need to check with Jeremy.

The current deadline for EPA to sign a final regional haze rule for Wyoming is November 21, 2013. EPA needs an extension of that deadline to February 27, 2014. EPA would like to set up a call on Wednesday to discuss this extension with you. We suggest a call starting at 9:00 or 10:00 am, or after 1:00 pm. Please let me know what time works best for you.
